

MILLEN CAPITAL IS DELIGHTED TO ANNOUNCE OUR 3RD YEAR OF SPONSORSHIP OF EUROPEAN TOUR GOLF PROFESSIONAL JAMIE DONALDSON FOR THE 2012 SEASON.

Jamie had a superb 2011 season with 8 top ten finishes, earning €771,563 and finishing 38th on the European Tour. He is now one of the top 100 golfers in the world, currently ranked 96th and we are hoping Jamie can climb to a world ranking of Top 50 or better in 2012 which will seem him receive automatic invitations to many more US PGA events and most importantly exemption for the Majors.

Jamie was in the 'mix' on so many Sunday afternoons last year that Golf World Magazine have this month featured Jamie in their '**Three to Watch in 2012**' article which is both attached to this email and can be viewed at [Millen Capital Sport](#).

With the Open Championship being in the North West at Royal Lytham in July we hope that Jamie can qualify for this as it would be great to see him play in the Open here in the North West again.
